

## Kaipaki Parent Teacher Association Meeting

7:30pm, 8 March 2018  
Kaipaki School

**School attendees:** Kim, Jade

**Parent attendees:** Annabel, Sarah, Stephen, Lisette, Helen, Rebecca, Alison, Amanda – *a reminder that all parents are invited to this catch up with the school, which is held once a term to talk about how Kaipaki parents can help the school fundraise for much needed resources. The next meeting is on Thursday May 10<sup>th</sup> for one hour, time to be confirmed – childcare will be made available to make it easier for more parents to attend.*

### **Discussion:**

- This year there is a need for parents to fundraise to support:
  - A new bus (in the next 3 years)
  - Sports resources (including the vital role of sports teacher)
  - Learning resources (related to learning through play, electives etc – a wish list of items will be provided by teachers so that parents can see what they are fundraising for)
- The following fundraising events were suggested for each term, with no events in term one due to camp. Each event has a key contact person/s who will be asking parents for help in the coming months – please support them in any way you can. Please save any key dates in your diary!
