Tēnā koutou e te whānau o Kaipaki

What a fantastic few weeks we have had at Kaipaki! Such a lot to celebrate in a relatively short space of time.

We extend a very warm welcome to the following students, and their families, who have joined the Kaipaki Whanau over the last couple of weeks:

Caleb Lewis (Ruma Kakano)

Fletcher Reid (Ruma Kakano)

Shakarna Purua-Nelson (Ruma Peka)

Lucy Hemara (Ruma Peka)

100th Students Milestone

Last Tuesday 28th of August was a significant day in the history books for Kaipaki School as our school roll reached 100 students. We held a special assembly in which each class shared their creations recognising this special milestone. A cake cutting ceremony and whole school photo in the shape of 100 followed before we all celebrated with a slice of cake. It was absolutely delicious! Huge thanks to Rebecca Shramka for the beautiful cake which she baked, iced, and organised sponsorship of from Countdown Cambridge.

A special thank you to the Phillipps and Barbosa families who generously donated a beautiful plum tree to our school to mark the occasion. This gift has re-ignited some ideas for a community orchard and garden area in the space above the senior playground area. We hope to bring this dream to reality soon, kicking off with a planting ceremony before the end of the term.

If you missed the wee article in the Cambridge News last week you can find it using the following link: <http://www.cambridgenews.nz/about/archive/> (31st August edition - p. 7).

Enrolment Zone

In the same edition of the Cambridge News, we advertised out-of-zone enrolment places for 2019 (p.23). This is a requirement of our Ministry of Education enforced Enrolment Scheme. It is really helpful for our planning processes to have an accurate assessment of our future homezone student numbers over the next couple of years. We would appreciate your assistance in cross-checking our predictions by sending us the names and date of birth of any siblings of our current students who turn 5 in the next couple of years. Please could we ask for your help in spreading the word to any families that have pre-schoolers in the area to contact us too.

Planning Ahead ...

It does seem very scary to be talking about 2019 already but we also know that holiday planning will be well underway. The 2019 school term dates for Kaipaki School are:

Term 1: Thursday 31st January - Friday 12 April

(Public Holidays include: Waitangi Day 6 February)

Easter is included in the school holidays.

Term 2: Monday 29 April to Friday 5 July

(Public Holiday: Queen's Birthday 3rd June; Cambridge Community-wide Teacher Only Day 14th June)

Term 3: Monday 22 July to Friday 27 September

Term 4: Monday 14th October to Tuesday 17 December

***Our final assembly for this year will be held on 13th December, 6.30pm,
at Raleigh Street Christian Centre. Our final day for 2018 will be***

Celebrating Learning

This morning I was privileged to hear some awesome reading from some Ruma Rau learners. It's so sad that you can't listen to written newsletters so that you too could have shared in this learning experience. The trio pondered this dilemma and felt that the next best thing was to share a photo of the recipe and their creations:

**Cross Country**

On Friday we were treated to some superstar action at our annual Kaipaki Cross Country. We were so very impressed with the effort of all our runners.

**Raising Funds for the Cancer Society**

We are exceptionally proud of the outstanding leadership of our senior students Chloe, Sacha, Christina and Emily who organised their own fundraiser at our School Cross Country for the Cancer Society. This involved a sponsored run, sale of Cancer Society merchandise, original artwork, daffodils and a bake stall. They raised well over \$1000, and are still counting! We think it is an amazing example of student leadership and commitment to making a difference in our community. They arranged everything themselves from initial email contact with the Cancer Society to counting the money. Well done girls we are so proud

of you! Thank you to everyone who supported them.

Kaipaki School Runs to Save Cancer
By Jasgin Lopena

Do you ever feel like a champion when you past the the finishing line at cross country? Well, last Friday, Kaipaki School held their 2018 school cross country. Kaipaki School didn't just run, but raised money for the Cancer Society. Also, a stand was there selling all kinds of things, like daffodils, food, paintings and lots more. Overall Kaipaki School earned over \$1300 for people that have cancer. Everyone was cheering loud and proud to all the people that ran. This year's school cross country is probably the best one we've ever had, because of the supportive people and the good vibes Kaipaki School showed.

Cross country at Kaipaki School
By Vinnie Proebstel

Last Friday Cross Country came across Kaipaki School. It was furious - people running as fast as possible people cheering on others. Wow it was windy. People running past you. Wow people would've been getting blown away. Also big thanks to Chloe, Christina and Sacha for raising over \$1,000. They tried to get 30 laps around the school and guess what ... they did! Also big thanks to Emily for making \$500 at the stand. Wow that's a lot of money. Let's see what happens at rural schools Cross Country on 7th of September.

Kaipaki girls raise money for cancer
By Chloe Browne

Last week 4 girls named Emily Tomita, Christina Toon, Sacha Worth and Chloe Browne ran their heart out to save people with cancer. They hit over \$1,000 for sick people across waikato. They ran 30 laps around the school with sponsorship from parents from Kaipaki. They had a bake sale with all sorts of treats. Kaipaki had a cross country on that day and all sorts of kids from Kaipaki school showed lots of sportsmanship. Two lovely ladies named Isabel and Amiee did some awesome commentary. They can't wait to do it next year.

**Rural Schools Combined Cross Country**

Tomorrow we will meet with our friends from other rural schools in the Cambridge area at the annual Rural Schools Cross Country at Karapiro Domain. All Kaipaki students will be travelling by bus there and back. Our junior students (Ruma Kakano, Ruma Weri and Ruma Rau) will depart soon after 9 o'clock, with the remainder of students heading off around 10 am, hopefully arriving just in time to support our younger runners. If your family plans differ to these arrangements, please could you communicate with your child/children's teacher directly. We have posted the timetable for the day up on our school website and on Skool Loop - students have all been given paper copies as well. At this stage the weather forecast looks promising - in the event of postponement, we will notify you through the website, facebook page and direct email around 8.30am. Please note that all runners must wear shoes as this is a Health and Safety requirement of the venue.

Bus Run

Thank you so much to Deb Oliver who has very kindly stepped in as School Bus Driver this week when we've found ourselves without options for a relief driver while Bianca and Bronny are away. We are so very grateful for your willingness to help us out Deb. Please remember to let us know any changes to morning pick ups via the School Bus phone 027 918 6288. For afternoon arrangements please ring Mandy so that she can do the juggling act with numbers now that our bus runs are at capacity.

Kaipaki Fundraising Crew News

Last Thursday night four brave supporters braved the Wintery conditions to meet together in planning upcoming fundraising events. More news from them regarding the wonderful events/sales they have organised in Term 4 will follow shortly. We are so grateful to our PTA for \$1000 which is being invested in equipment for our junior classes. Watch this space for pictures of the new equipment in action as soon as the goodies arrive.

A very special thank you to the Wakeling family who have very generously donated a new 3-sided painting easel - thank you so much for your generosity Phil and Sally. We look forward to sharing masterpieces with you in the future. We are also so grateful for your help in sorting the production of a carpentry bench Sally. We can't wait for our new learning equipment to arrive.

ERO

The report written after ERO visited our school late last term has now been confirmed and is available on both our school website and on the ERO one

<http://www.ero.govt.nz/review-reports/kaipaki-school-14-08-2018/>

We are extremely pleased with the report and think it reflects the amazing learning community that is Kaipaki. Here are a few of the highlights directly from the report ...

The school's vision statement, 'bringing learning to life', is supporting students to 'develop, live and learn for today and in the future'. The school has well-established values related to respect, integrity, self, and excellence.

The school's curriculum is highly responsive with an appropriate focus on reading, writing and mathematics. Classroom teachers know their target students well and plan appropriate programmes to accelerate learning. They use assessment information well to support differentiated planning and teaching. There is a school-wide focus on bicultural awareness that includes employing a facilitator to work in classrooms.

Students with special needs are well catered for in inclusive learning environments. Students relate well to meaningful contexts and are well engaged in a variety of learning experiences and this is contributing to equitable and excellent outcomes.

The board is providing well-informed governance. Trustees make resourcing decisions in response to student achievement information and consultation with parents and whānau.

There are well-established processes in place for the school and parents to engage in meaningful relationships. Parents, whānau and the community are fully involved in school activities and are valued partners in learning.

Well done everyone!!
