'Bringing Learning to Life'

WEEK 9
TERM 1
2023

KIA ORA TE WHĀNAU O KAIPAKI

Term 1 has simply flown by and here we are in the second to last week, reflecting on what has been a very busy, exciting and successful term, jam-packed full of learning. It has been so lovely to join together and celebrate the return of some of our favourite events in the school calendar. As this is the last newsletter for the term, we'd like to wish you all a very safe and happy holiday. We hope you all enjoy some much deserved rest and opportunity for family time over the Easter break and school holiday period.

We look forward to another action packed term of learning beginning on

Wednesday 26th April.

Welcome

We are so excited to have Rhyley-Ryder Lawrence join us at Kaipaki School! We look forward to making many amazing memories with you!

Congratulations to Emma Brighthouse for an amazing result in the recent Cambridge XRace. Emma had to run and complete a number of puzzles and challenges. She was named the 9 Year old category champion!

**Important

TE OHU - SESSION ONE

On Thursday, 20 students took part in Session One of the Te Ohu Programme. This is a wonderful opportunity for Year 4 to Year 8 students to attend a number of sessions throughout the year focusing on developing their understanding and knowledge of Te Ao Māori. There will be a total of 6 full day sessions over the year and children will travel to local schools to work with specialised educators. They will then be encouraged to share their knowledge with others back at school.

Primary Goals for the Te Ohu Programme;

- Provide opportunities to for ākonga (learners) to connect with peers, whānau, iwi, tuakana and kaiako (teachers) across Cambridge
- Sharing and telling of local stories, kapa haka, and build the capability of Te Ao Māori across the Cambridge Schools
- Unpack waiata and haka to ensure the essence of these are known by learners
- Learners are supported in being able to retell and lead the learning back in their own school

Our school has worked with SchoolDocs to create a website for our policies and procedures. We are excited to announce that the site is now live and available to our school community.

SchoolDocs provides us with a comprehensive core set of policies, which have been well researched and align with the National Education and Learning Priorities. The policies and procedures are tailored to our school, and the school supplies specific information such as our charter, and procedures for behaviour management, reporting to parents, etc.

SchoolDocs updates, modifies, or creates policies in response to changes in legislation or Ministry guidelines, significant events, reviews/requests from schools, and regular reviewing from the SchoolDocs team. Our school board has the opportunity to view changes/additions and comment on them before they are implemented. We will advise you when policies are up for review and how you can take part in the review.

We invite you to visit the site at <https://kaipaki.schooldocs.co.nz> (note that there's no "www."). Our username is "kaipaki" and password "rise".
