

# BOT BUZZ 2023

1

We held our first meeting of the year on 15 February, although lots of work goes on between meetings too. Members of the BoT, alongside staff, have been looking after school and its grounds over the summer holidays. We really appreciate the community approach to supporting our school.

Another challenge came our way already this term, with a careful decision made to close school on 14 February, along with many schools in the Waikato. Thankfully, our school did not sustain any damage. Our hearts go out to those affected around other parts of our country.
